## INSTRUCTIONS

1. Wipe a damp sponge over the entire plate to remove dust and contaminants.
2. Trace the pattern and lettering onto the tissue paper with a pencil.
3. Place the tissue paper over the plate and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.

5. Paint 3 coats of Fresh Heather on the eye patches and nose.
6. Paint 3 coats of Turquoise on the body.
7. Paint 3 coats of Mocha Java on the branch.
8. Paint 3 coats of Kiwi on the leaves.
9. With a liner brush, paint Licorice on the eyes and mouth.
10. With a liner brush, paint Orange Juice spots on the back and face.
11. With the end of the paint brush handle, add Snowflake dots for eye shine on the left side of each eye.
12. With an underglaze pencil, write "You Make Me Smile" underneath the sloth.

## TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
