## INSTRUCTIONS

For each of these shoe we simply painted 3 coats of the desired pink all over the inside, outside, and bottom of the heel.

Using the picture as a reference:

Left - CMM 86 - Pretty In Pink

Center - CMM 16 - Chiffon

Right - CMM 7 - Blush

## TIPS

- Pretty in Pink & Blush are both pretty translucent colors and can benefit from letting the color dry really well in between coats and doing one additional coat. They will always be a little streaky due to the nature of that particular paint.
